

Construction All Risks Webinar Programme

We are delighted to announce the dates for our Construction All Risks webinar series for 2021-2022.

Our leading construction team are experts in the area of CAR Insurance. *Construction All Risks Insurance* (Sweet & Maxwell) by Paul Reed QC, with contributions from the team, is the definitive reference guide for practitioners. The third edition of CAR was published in June 2021.

To register for the talks individually please click the relevant links below, alternatively please [click here](#) to register for more than one talk.

2 September 2021, 12:00-12:45 (BST) | **Delay in start-up cover issues**

An examination of delay in start-up insurance and the effect of the *Financial Conduct Authority v Arch Insurance (UK) Ltd* decision. Problem areas with respect to claims and their quantification will be considered as well as how they might be resolved.
